*\*Please only use this form to record cash donations, and if you can, please use online options instead.*

Wherever possible, we want to encourage supporters to donate online. If you are choosing to do a fundraiser for us, please consider setting up a **Just Giving** page to accept donations. This is currently by far the most preferable method for us in terms of receiving funds: it is the most cost-effective, it allows us to collect gift aid from anyone wishing to take advantage of the scheme, **and** it provides an easy way for supporters to provide their information, should they wish to continue hearing from us.

All that said, if there are people wanting to support you who only want to give you a cash donation, this is what this form is for!

Please see the reverse for how to transfer cash donations to us.
