Cumbria

**Snaz your  
event up  
with brilliant  
bunting!**

Simply print, cut out, punch holes,  
loop through string and hang up  
around your venue – works on table  
edges or along gazebo walls.

Don't forget to leave a gap between  
each flag, and print single-sided to  
save ink (unless your venue warrants  
double-sided bunting)

**Keep scrolling for more fabulous bunting!**
